Dress-It Right™

Ready To Use
Water Based Dressing

No. 61

Dress-It Right™ is a water-based dressing for use on tires, engines, rubber, vinyl and plastic. This ready-to-use formula produces a long lasting high gloss finish. Even after pressure rinsing the product remains. Dress-It Right™ is extremely durable and easy to use; making this an excellent VOC compliant dressing.

Sizes: 16 oz, 1 gal, 5 gal

- Long Lasting Formula
- Ready to Use
- VOC Compliant
- High Gloss

Shake prior to use. Product separates by design. Spray directly onto surface...

...or apply with an applicator pad. If less gloss is desired, wipe with a soft towel or applicator pad.

Dress-It Right™ makes an excellent engine dressing which can be diluted 1 to 1 or used straight.
