## XP Seal-It®

Extra Performance  
VOC Compliant Polymer

Quick  
Gloss!  
No. 71

XP Seal-It® is a high gloss polymer for use on all types of paints and chrome. VOC compliant. This creamy formula is easy to use, while producing virtually no dust. Non abrasive, dries quickly, and leaves a rich, beautiful shine.

Abrasive Meter

- VOC Compliant
- Quick
- High Gloss Polymer
- Easy Wipe On - Wipe Off

Shake well prior to use. Product separates by design. For hand application, apply with a clean wax applicator.

For orbital application, apply to a small area and buff at low rpms with a fine to ultra fine finish foam pad to desired shine.

Allow to dry, then remove with a soft terry or microfiber towel.
